# SECURA ZONE

## Maximum Security Accessory for Flagship SecuraStock Machines

Each Zone fits in half of one SecuraStock shelf  
Allowing for up to two Zones per shelf for a total  
of 6 Zones per SecuraStock machine.  
(Zones do not go on top shelf of SecuraStock)

Authorized users simply scan barcode on the  
SecuraZone door and it automatically unlocks

Standard Zone pictured with optional glass door

### PROVIDES ADDITIONAL LEVEL OF SECURITY

Ideal for high value items

Separate lock & selection system within main unit

Only users you choose can access the Zone

Restrict access by department or even individual

### SECURAZONE FEATURES

Backed up by our Anti-Theft Guarantee

Potential of up to six Zones in one SecuraStock machine

Each Zone can have Zone specific authorized users that  
are separate from the other Zones

Optional see through glass front

Easy on-site installation into existing SecuraStock

Optional slide out tray and RFID technology

Available in all colors to match your SecuraStock
